Myra G. Moses, Ph.D. with NC State University, has been involved with educational instruction at the corporate, college, and K-12 levels during the past 20 years. She currently serves as the National Associate Director with Project Youth Extension where she facilitates the curriculum development and training elements of Project YES to support college interns to prepare them to work nationally in teams with each other to support military youth in families being impacted by deployments

She also serves as the Associate Director of Customized Leadership Development and Communications. Dr. Moses develops and adapts curriculum for the Center's leadership development programs for external clients and youth programs. She has experience teaching in online environments and has created a broad range of curriculum for formal academic and non-formal educational settings. She has taught high school English and has also taught Professional Communication at NC State University, where she began teaching online and developing online curriculum modules. She has developed online learning modules for students and has conducted face-to-face and online professional development for faculty, staff, and students on a wide-range of topics.
